# CardioQuickSys Expands Operations

*Headquarters Moving into Perimeter Park A*

CardioQuickSys, LLC signed a 75-month lease for 11,545 square feet of warehouse space at 11785 Highway Drive in Sharonville, OH. The company, which sells heart-monitoring devices, will use the space for inventory storage and shipping throughout the U.S.

CardioQuickSys will also maintain its current location at 6215 Centre Park Drive.

Michael Price, chief operations officer and a former Cincinnati Fire Department EMT, designed the single-use disposable precordial overlay 12-lead EKG placement system.

He and Scott Spinka, president and CEO, will lead a team of twenty employees at the new site.

Mark Freiberg of The Everest Group/TCN represented CardioQuickSys, LLC in the lease negotiations. Steve Denison, Bill Chester and Kevin Schutte of Duke Realty represented the landlord in the transaction.
